This micrograph shows a cross-section of a polymer matrix with dispersed particles. The matrix appears as a light, granular background, while the dispersed particles are darker, irregularly shaped regions. Some particles are isolated, while others are in small clusters.

VOL 57

A black and white photograph showing a landscape with several trees and a utility pole. The scene is somewhat blurry, suggesting a wide-angle or long-exposure shot. The trees are dark against a lighter sky, and the utility pole is a vertical line in the center-right. The foreground is dark and indistinct.
